LUSCIOUS LOTUS ANTI- FRIZZ KIT

Luscious Lotus Anti-Frizz Shampoo

Massage shampoo into wet hair and scalp.
Rinse and repeat as desired.

Luscious Lotus Anti-Frizz Deep Conditioner

Scoop an ample amount into your hands and apply to each
section of your curls. Leave it for 10 minutes. If desired, use
a heating cap or hooded dryer.

Luscious Lotus Anti-Frizz Leave-In Lotion

Apply a nickel sized amount of leave-in lotion to each section and distribute
evenly from ends to root. Follow up with a styling product of your choice.

Luscious Lotus Anti- Frizz Mousse

Apply a few pumps to each section for a defined hold.

Luscious Lotus Anti-Frizz Sculpting Jelly

On cleansed wet curls, apply gel to your curls in sections.
Finger comb to distribute the gel properly.

Luscious Lotus Curl Whipped Curl Cream

Apply a dime size drop of product onto your palms and rub them together.
Work your way from the root to the ends of your hair, making sure to cover
your strands as evenly as possible.

These products are made to mix and match to your desired hold and style preference
