

PUMPKIN POWER HAIR GROWTH KIT

HOW TO USE

Pumpkin Power Liquid Leave-In

On freshly cleansed and conditioned hair, spray the Pumpkin Power Liquid Leave-In on your hair before applying a styler. We recommend working in small sections for application. Work the liquid leave-in through your hair with plenty of water. No need to rinse it out; just grab your favorite styler to finish your hair. :-)

Pumpkin Power Deep Conditioner

On clean soaking wet hair, apply the Pumpkin Power Deep Conditioner to sectioned hair. Let sit for 15 minutes, then detangle your hair. Once thoroughly detangled, rinse out the Pumpkin Power Deep Conditioner.

Pumpkin Power Hair Serum

Using the dropper, place an even amount into hands. Rub hands together and distribute throughout hair.
